

USA försvarades mot Bush!

De neokonservativa revolutionärerna i maktens centrum i USA bestämde att man tisdagen den 24 maj 2005 skulle göra president Bush till tyrann genom ett sensationellt kuppför-sök i senaten. Under ledning av talmannen i senaten, vice-president Dick Cheney, ville Bushs rådgivare ändra konstitutionen så att maktindelningen mellan den verkställande, den lagstiftande och den dömande makten eliminerades.

Kuppförsöket avväjdes på måndagskvällen genom ett samråd mellan sju demokratiska och sju republikanska senatorer. Dessa republikanska senatorer gjorde på så sätt uppror mot Cheney och partilinjen, till försvar för konstitutionens maktindelning. Med detta uppror har Bush paralyserats och blivit vad som kallas en "lam anka". Det är de sju republikanska senatorerna som nu har makten i USA; de kan forma en majoritet i kongressen mot Bushs politik. Därmed finns en möjlighet att denna majoritet också kan stoppa de krig mot Iran och en rad andra stater, som redan är planerade av

Bush och hans neokonservativa krigshökar.

Frågan gällde senatens uppgift att ge råd och godkännande till presidentens utnämningar av domare. Det är avgörande för att domarna i Högsta domstolen, som väljs på livstid, skall kunna vara opartiska. Senatsminoriteten har rätt att blockera majoritetsbeslut, i praktiken en vetorätt, genom filibuster, dvs ändlösa tal från talarstolen. På så sätt kan förhandlingarna blockeras till dess att regeringen drar tillbaka förslaget.

För att stoppa en filibuster krävs 60 röster i senaten. Republikanerna ville i en påbörjad debatt genomdriva ett streck med enkel majoritet, 51 röster. För en sådan regelförändring krävs egentligen 67 röster. Om de neokonservativa hade lyckats driva igenom detta beslut om domarutnämningar, skulle hela maktindelningen och konstitutionen ha fallit, och USA ha fått en presidentdiktatur.

Save Our U.S. Constitution Now

by Lyndon H. LaRouche, Jr.
May 22, 2005

If you care about our country and your family's future, you must give full support to the U.S. Senate's Democratic Party leadership now! On this Tuesday, Senate Republican leader Frist is prepared to act to tear down the Constitution of the U.S.A., in an effort to establish a right-wing White House dictatorship in the U.S.

The immediate target of this attempted illegal coup d'état is the institution of the U.S. Senate. The purpose is to overturn the U.S. Constitution, in favor of White House dictatorship, by breaking the Constitutional powers built into the Senate's power to impose checks and balances against an out-of-control Presidency or temporary errant majority of the House of Representatives. This provision to defend our Constitution was centered in the powers of advice and consent which the Constitution assigned specifically to the U.S. Senate.

Do not be taken in by the fraudulent claims that the

contested judicial nominees are "Christians." When judges of fascist leanings are up for confirmation, the issue is not religion, but economics. The issue is, which side will those judges take, when the financial sharks come to eat you in foreclosure proceedings?

Those of us old enough, or well-educated enough, to remember, know what I am saying.

Leading Democrats and others recognize that there is an ominous parallel between the incendiary activities of White House radical right-wing propaganda minister Karl Rove and Vice-President Dick "Hermann" Cheney's plot, and the incendiary actions used by Hermann Goering which led to Reichschancellor Adolf Hitler's seizure of dictatorial powers on February 28, 1933. Hitler never gave up those powers until the day he committed suicide in Berlin on April 30, 1945. Tens of millions of people died as a result of what happened in Berlin on February 27-28, 1933. With the present Bush Administration pushing for "preventive use" of existing nuclear weapons now, many more than tens of millions will die world-wide, if

Schillerinstitutet

we let the U.S. walk down that same road now. That increasingly hysterically desperate administration now intends to use those weapons just about as quickly as you can say, "Remember what happened with Iraq."

The U.S. Senate, with its power of advice and consent, is today the chief bulwark standing between you and the consequences of that increasing push for a so-called "preventive" nuclear-warfare policy. Do not allow that original Constitutional intention of advice and consent to be thrown away by the kind of panicked parliamentary majority rule which gave Hitler dictatorial powers on February 28, 1933. If you allow Frist to succeed on Tuesday, or in the days following, no one can predict today, when, or where that warfare might stop.

Without the savage pressures from high-level circles within the Bush Presidency, many Republicans would quickly join with Democrats in preventing the Bush White House's attempted anti-Constitutional plot from being carried out. Therefore, massive support for both Democratic leaders and concerned, but often intimidated Republican Senators must be provided immediately.

The Economics Issue

U.S. citizens must not allow themselves to be fooled again. Citizens must recognize the real issues behind this evil White House grab for dictatorial one-party powers. The key issues are not judges' religious beliefs; the issues, as in the French Revolution of July 14, 1789, and the Hitler seizure of dictatorial powers on February 28, 1933, are just plain economic. These right-wing judgeship candidates are being set up to help rob your child's piggy-bank, hardly a Christian enterprise.

At this moment, the U.S. economy is on the verge of a bigger general financial and physical-economic collapse than 1929-1933, and the forces controlling the pathetic figure occupying the Oval Office, such as the would-be "Hjalmar Schacht" of the situation, former Pinochet crony George Pratt Shultz, the architect of the Bush II Presidency, and a key backer of the President's Pinochet-style intention to rob you of Social Security protection, are determined that the people will have no pension, health-care, or bankruptcy protection against the onrush-

ing deep collapse of the world's present financial system.

There is no excuse for anyone's giving support to this attempted Bush Administration grab for dictatorial powers. We of the U.S. not only recovered from the 1929-1933 collapse caused by the policies of the successive Coolidge and Hoover Administrations, but, under Franklin Roosevelt's Presidency, we prevented what would have been otherwise, an Adolf Hitler world dictatorship. We can do that again.

We do have a clear majority of our leading politicians who are good enough to make the decisions needed to get us safely through the presently onrushing world-wide financial collapse. Admittedly, many of them have made mistakes in the past. Nearly everyone makes mistakes, and big people tend to make the biggest mistakes. But, when we as a people bring ourselves together to face up to a problem, and to solve it, we of the U.S.A. have always won out, sooner or later. Hopefully, this time, it will be sooner.

For this purpose, the founders of our present Constitutional republic created a Constitutional system which is not only the best in the world still today, but is a model for dealing with precisely those kinds of financial crises which the parliamentary systems of Europe are not competent to deal with by themselves. Our experience under President Franklin Roosevelt is something which is still fresh in our national memory, especially among those still living who were young adults or adolescents during the 1930s and 1940s. What succeeded then is a starting-point for selecting the economic recovery measures we must begin instituting immediately today.

So, give our leaders a chance, especially those in the Senate fight to defend the Constitutional principle of advice and consent consigned to the Senate. Support them in this fight. Support them as if your personal freedoms depend upon that; they probably do. By supporting them, you will be defending our Constitutional system.

Support that system as if your life and our nation's future depended upon winning that fight. They do. I am supporting those engaged in this fight, whether they are Democrats or Republicans. So should you.
